IN RE: ****REVISED** NOTICE OF PROPOSED MAGISTERIAL DISTRICTS 12-2-01, 12-2-02, AND 12-2-03 BOUNDARIES MODIFICATIONS AND PERIOD FOR PUBLIC COMMENT**

This notice serves to revise one (1) component contained in the original, substantively similar, notice issued May 1, 2026, wherein Swatara Township Ward 1 was proposed as a component of Magisterial District 12-2-01 (revision indicated *italicized & underlined* herein). Additionally, one footnote of explanation has been added.

The Unified Judicial System (“UJS”) of Pennsylvania includes all courts of the Commonwealth, with the highest court being the Supreme Court of Pennsylvania. The UJS Pennsylvania’s Twelfth Judicial District is comprised of the Dauphin County Court of Common Pleas and the underlying Magisterial Districts. There are fourteen (14) Magisterial Districts within the Twelfth Judicial District, each of which has a physical Magisterial District Court. A Magisterial District Judge (“MDJ”) presides over proceedings at a Magisterial District Court. MDJs are selected by election to serve a six-year term and may serve consecutive terms until a time of his/her choosing, but not beyond the end of the calendar year in which the MDJ attains the statutorily defined retirement age of seventy-five (75). MDJ vacancies may be filled only by election, or gubernatorial appointment with consent by the state senate.

The Magisterial District Courts are the venue where most individuals interact initially with the court system, and often the only venue. Magisterial District Courts serve to host judicial proceedings for specified traffic, non-traffic, landlord-tenant, and criminal matters within their respective jurisdiction.

Magisterial Districts are composed of underlying political subdivisions (i.e. City, Townships, Boroughs, etc.) which can be further reduced to a ward or precinct in order to achieve distribution of work approximately equitable amongst the Magisterial Districts. Case totals from jurisdictions serves as a prime determinant of work distribution and is evaluated on a decennial basis during the re-establishment process; unique circumstances and/or need may initiate such an evaluation sooner.

Over the course of time and especially during the past 5-7 years, for multiple reasons, the rise of case volume in 12-2-01 has outpaced its neighboring Magisterial Districts, eventually resulting in 12-2-01 consistently experiencing a high average caseload amongst the fourteen magisterial districts annually, criminal case counts especially. In July 2025, the elected Magisterial District Judge of Magisterial District 12-2-01 unexpectedly passed away, creating an immediate vacancy.

Recognizing that any magisterial district confronts difficulty in continuing normal operational pace and output through the use of time-limited Senior Magisterial District Judges and that Magisterial District 12-2-01 has an extremely high average annual criminal caseload (999) which is almost double the county average (521), the President Judge examined available caseload reports to determine an appropriate partial distribution of 12-2-01 caseload by designating temporary filing office designations for specified underlying political subdivision to contiguous magisterial districts 12-2-02 and 12-2-03. This review resulted in Administrative Order 10 of 2025, *IN RE: Temporary Reassignment of Cases from Magisterial District Court 12-2-01*. The provisions of AO-10-2025 were extended through December 31, 2026, or further order of Court by Administrative Order 17 of 2025.

An examination of the caseload data prior to the effective date of AO-10-2025 and thereafter suggests the intent of the temporary reassignments has yielded the desired outcome of producing a more equitable distribution of criminal caseloads amongst magisterial districts 12-2-01, 12-2-02, and 12-2-03. Accordingly, on or about September 1, 2026, the President Judge intends to petition the Pennsylvania Supreme Court for approval to permanently establish select magisterial districts as follows:

MAGISTERIAL DISTRICT 12-2-01

Current:

- Lower Swatara Township
- Paxtang Borough
- Swatara Township Wards: Two (2), Four (4), Five (5), Six (6), Seven (7), Eight (8) and Nine (9)

Proposed:

- Paxtang Borough
- Swatara Township Wards: Two (2), Four (4), Five (5), Six (6), and Seven (7)

MAGISTERIAL DISTRICT 12-2-02

Current:

- Highspire Borough
- Steelton Borough
- Swatara Township Wards: One (1) and Three (3)

Proposed:

- Steelton Borough
- Swatara Township Wards: One, (1), Three (3), Eight (8), Nine (9), and Ten (10)¹

MAGISTERIAL DISTRICT 12-2-03

Current:

- Conewago Township
- Londonderry Township
- Middletown Borough
- Royalton Borough

Proposed:

- Conewago Township
- Highspire Borough
- Londonderry Township
- Lower Swatara Township
- Middletown Borough
- Royalton Borough

¹ Swatara Ward 10 was formed after the last decennial reestablishment and has been construed as a component of 12-2-01 since its inception.

In addition to the statistical considerations for proposing modification of a magisterial district's boundaries, timing of such change is also contemplated. Eligibility for a candidate to seek election as a MDJ includes the permanent address of the candidate – which must be within the magisterial district in which the candidate will serve. Modification of the boundaries as proposed now will provide ample time for would-be candidates to determine their magisterial district prior to 2027, when both 12-2-01 and 12-2-02 will appear on the ballot for 6-year terms. 12-2-03 will also appear on the ballot in 2027 for a 6-year term.

Modifications such as presented herein are in response to unique circumstances and cannot be permanently addressed by other means. Your input and perspective is encouraged and welcomed.

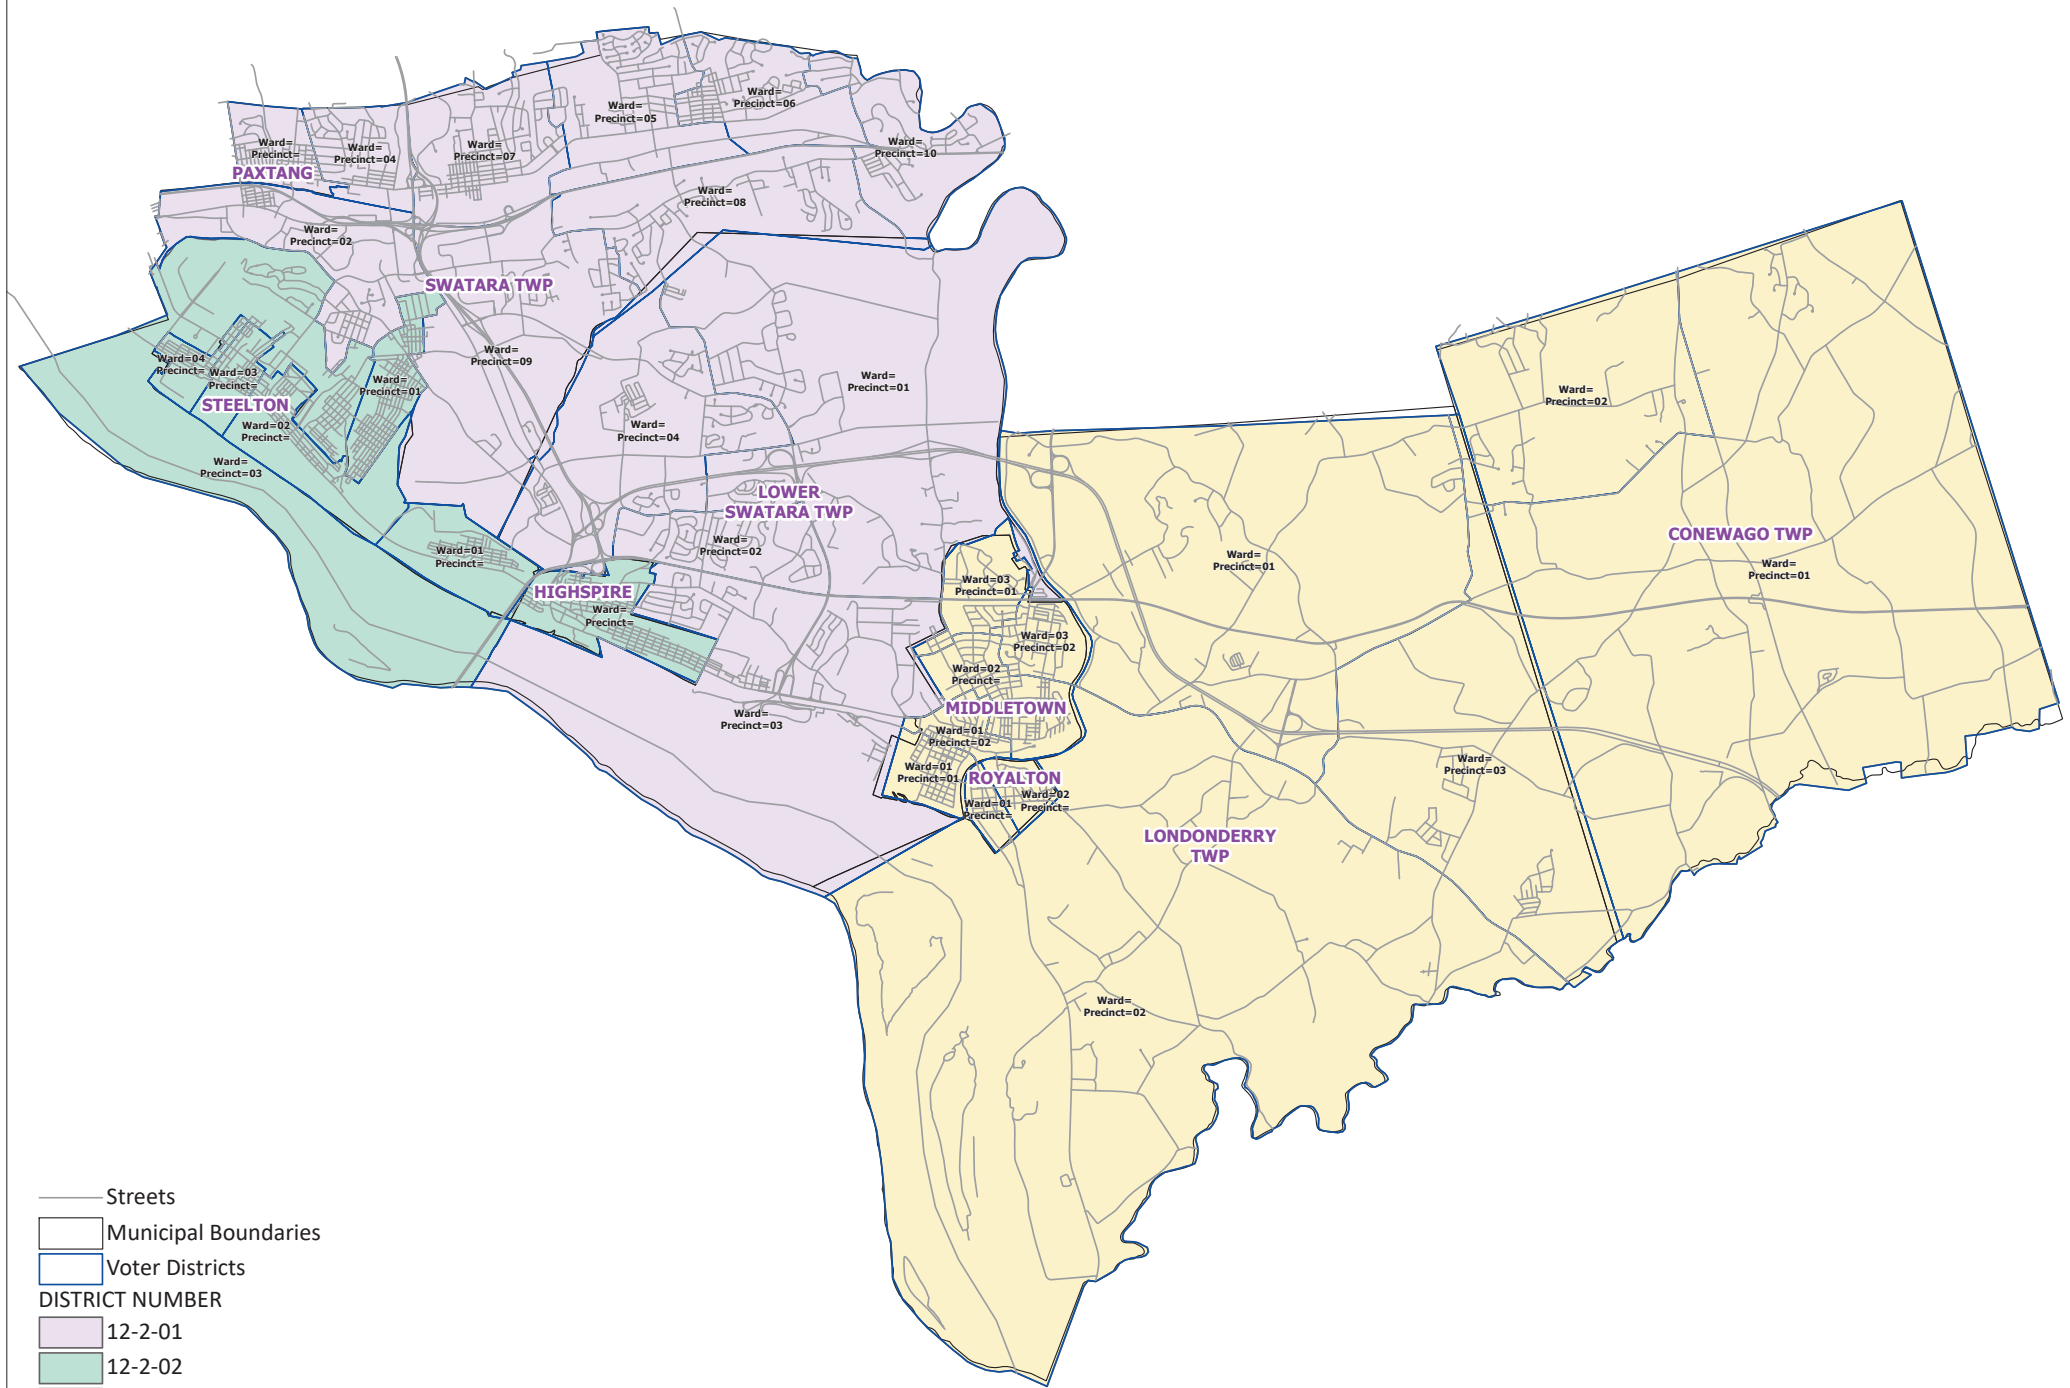

A thirty (30) day period for public comment on any such proposed change is required prior to submission of a petition to permanently modify a magisterial district(s). Public comment concerning the proposed boundaries will be accepted through August 28, 2026. Comment(s) may be submitted to:
