DEPARTMENT DIRECTORS/GUESTS

A. Dauphin County Commissioners

1. Proclamation - Kim Robison Retirement Recognition

Mr. Pries called Kim Robison forward. He asked Kim what she plans on doing when she retires.

Ms. Robison stated that she plans to travel and since she is an animal lover, she plans on helping her relatives with alpacas.

Mr. Pries asked if there was a moment that she would never forget.

Ms. Robison briefly told a few incidents that occurred in the office. She noted that there were times when she was out at a hockey game or someplace else when people would

ask her about their case or thank her for helping them. That made it worthwhile. She has dedicated staff and a lot of them have made this their life.

Mr. Pries stated that Kim has changed a lot of lives over the years.

Mr. Saylor stated that she began her career in Dauphin County in 1983, when gas was 96 cents a gallon.

Mr. Saylor read the following Proclamation:

Office of County Commissioners
Dauphin County, Pennsylvania
Proclamation

We, the Dauphin County Board of Commissioners, are pleased and proud to extend our warmest wishes and deepest gratitude to Kim Robison as she retires after 38 years of service to the county – all within the Domestic Relations Office;

Whereas, Kim served the past 17 years as Director of Domestic Relations, after excelling during stints as file clerk – her entry position in 1983 – hearing officer and assistant department director;

Whereas, Kim developed an understanding and passion for the child support system, and used those skills to the benefit of clients, judges, and attorneys – along the way, sharing knowledge at the Dauphin County Bar Association’s annual conferences;

Whereas, Kim applies the same casework care and compassion to the loved ones in her lives, enjoying countless Penn State football and Hershey Bears hockey games and trips to the Delaware beaches with her late husband, Frank;

Whereas, an animal-lover, Kim has a huge heart for creatures of all shapes and sizes; her Golden Retriever, Chewbacca – “Chewy” – receives much of her attention, but Kim was known in the office to rescue birds and even insects, and release them back to the wild;

Whereas, we wish Kim many happy days in retirement at the beach and exploring volunteer opportunities, while making much time for her relatives and friends – may she one day make that bucket-list trip to Ireland;

Therefore, we join the 286,000 residents of Dauphin County in applauding the outstanding career of Kim Robison; we will miss her efforts and expertise, which helped shape Dauphin County’s Domestic Relations Office; and in grateful recognition thereof, we do hereby proudly proclaim March 4, 2022 – her final workday – as “Kim Robison Day” in Dauphin County.

Mr. Hartwick stated that they have been friends for some time. Kim is a very dedicated employee and is an example to other employees. She performs her job with dignity. He thanked her for her service.

Ms. Robison thanked the three Commissioners, Scott, Joe, Deb Freeman, the judges, the row officers, department heads and employees. The DRO staff cannot do it alone. The County is a great place to work.

(Applause was given and pictures were taken.)

- The Gaming Act requires casinos to share their gaming revenues with host counties and municipalities, i.e., Local Share
- Dauphin County's Local Share assessment also includes modest amounts for Lebanon and Schuylkill County Municipalities
- Dauphin County is entitled to receive 1% in Local Share revenue from interactive gaming as a result of the 2017 amendments

3

Local Share Funds

Local Share from Hollywood Casino and Penn National Racecourse

50% of Local Share funds are dedicated to grants

4

Annual Operation Fee Funds

- Hollywood Casino also pays an Annual Slot Machine License Operation Fee of \$10 Million
- Operation Fee Funds are received by East Hanover Township and Dauphin County
- Operation Fee Funds are distributed like Local Share Funds

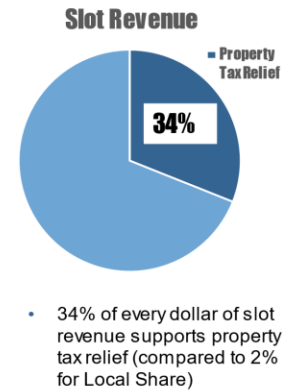

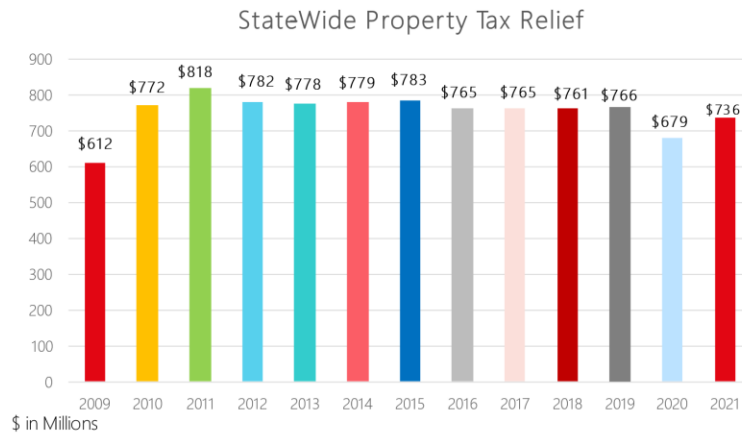

5

Property Tax Relief?

- By law, Local Share grant funds are not for property tax relief
- Local Share funds are to help counties and municipalities absorb the impacts of gaming and promote projects in the identified areas
