CHIEF CLERK/CHIEF OF STAFF – ERIC HAGARTY

Mr. Hagarty went over all the contracts that need a vote today along with one correction on the agenda. For Item #16, the agenda lists rates per hour. After publishing the agenda, CJAB has informed us that the rates are actually per unit, which in their contract is equal to 15 minutes. So where it says “hour” in item #16, it should instead say “unit.”
Congratulations to our very own Matt Owens, the County’s Chief Solicitor, for being named to the Super Lawyers list, a distinction honoring the top 5% of attorneys in the state based on independent research and peer evaluations.

PUBLIC PARTICIPATION

Antonio Foster – He will continue to bring issues to the board. He is not stepping down. There are many issues out there and the right thing needs to happen.

Johntrae Williams – Spoke to the Board about the importance of the Film Commission here in Harrisburg. We are asking for your support. This will have an impact on the workforce and tourism for the area.

Andrean – Something is missing in the area and it's the film commission. These are hard-working people on our board. We had an LA film company reach out to us for farmland, but we lost the opportunity. We need to bring that kind of work to PA, bring infrastructure.

Gene Stilp – Talked about the sacrifice zone and we have no say in the zone. This is up to you as the Board of Commissioners.

Pamela Parson – Talked about #16 on the agenda. What does this impact, what are the outcomes, we don't understand, what is the future for criminality. Geo Group is not a community partner. ICE picked up an 18-year-old child recently.

Kelly Summerford – Please support the film commission. We have an opportunity here.

Lauren Hansand – Came to talk to the Board about Connections and employees getting promotions and the high turn over rate. The way they treat clients is horrible.

Phyllis Bennett – Thank you for your support and we welcome you to our fall festival. Support the film commission.

Onah Ossai – Talked about the shame for voting for the Geo Group contract. PrimeCare is an issue in Dauphin County Prison. We are overpaying this company.

Anwar Curtis – Please support the film commission.

ADJOURNMENT
