SUBJECT: Family and Friends - 2026 Meeting Schedule

We are once again extending a warm invitation to the family and friends of those in our care to join us for our quarterly Friends and Families Meeting. These meetings provide an important opportunity to engage directly with prison leadership, share concerns and learn more about basic facility operations, including available programs and other supportive services.

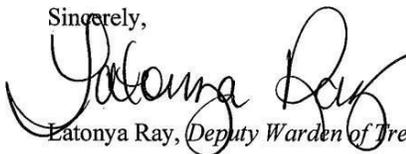

In addition, a representative from the National Alliance on Mental Illness (NAMI) will be present to offer education, resources, and support. Representatives will provide attendees with a deeper understanding of various mental health diagnoses, including symptoms, progression and treatment options.

Attendees will also have an opportunity to ask questions, receive printed materials and learn about additional community resources available through NAMI and local mental health agencies.
