The enclosed instructions and information regarding the law and expungement process should only be used as a reference.

Please contact Dauphin County Juvenile Probation Department for the most accurate information regarding your specific circumstance.

This information should not be interpreted as legal advice and consultation with an attorney is highly recommended.

Circumstances where a juvenile record is potentially eligible for expungement:

- **6 months** have elapsed since the completion of **Informal Probation** or a **Consent Decree** and no proceeding seeking adjudication or conviction is pending.
- **2 years** have elapsed since the completion of **formal probation** for **misdemeanor** charges; excluding firearms related and certain offenses under Section 3126 (A2) or (A3) which move to the 5 year guideline, AND since final discharge, the juvenile has not been convicted or adjudicated delinquent of a felony or misdemeanor AND there are no proceedings pending seeking such conviction or adjudication.
- **5 years** have elapsed since the completion of **formal probation** for **felony** or firearms related misdemeanors and certain offenses under Section 3126 (A2) or (A3) AND since final discharge, the juvenile has not been convicted or adjudicated delinquent of a felony or misdemeanor AND there are no proceedings pending seeking such conviction or adjudication.

By law, there are several offenses that are NOT eligible for expungement. If the juvenile was 14 years of age and older and any of the following charges were adjudicated, then the record cannot be expunged:

- Any offense under section 3123 (relating to IDSI)
- Any offense under section 3125 (relating to Aggravated Indecent Assault)
- An attempt, solicitation, or conspiracy to commit any offense under sections 3121, 3123, or 3125
